
NATIONAL FINALS!

2025

All Regional adjudication placement winners of High Silver are above are eligible to participate in National Finals. If you were unable to attend a regional event, an Event Qualifier will be held on the first day of the National Finals. **Dancers must compete in the same age category, performance category, and general category as the routine(s) qualified at the regional event.**

For National Finals, substitution of dancers from the Regional qualifying entry is permitted in all divisions/categories except Solos. Performances must be comprised of at least 50% of the original dancers from the Regional qualifying entry. When substituting dancers in a performance, be aware that any modifications may change the level or age average. Any dancer substituted remain subject to the Regional leveling and qualifying rules.
